

If studying the ocean is a priority this year for your elementary school, than please note that "Mr. and Mrs. Fish" (www.mrandmrsfish.com) is a wonderful ocean science resource available to you.

"Mr. and Mrs. Fish" offer you a choice of a number of different, hour-long all-school Assembly programs; each designed to effectively teach a wealth of solid ocean science in a fun, laughter-filled manner. Following the Assembly program, "Mr. and Mrs. Fish" are also available to visit classrooms for follow-up presentations. "Mr. and Mrs. Fish" is a world-renown, award-winning program of the highest quality.
